Notwithstanding the provisions of the preceding sentence of this paragraph, in the case of payments of principal and dividends to be made on a Trust Certificate not then to be paid in full, upon deposit of an agreement of the holder of such Trust Certificate (the responsibility of such holder to be satisfactory to the Trustee) requesting the same and obligating such holder, prior to any transfer or other disposition thereof, to surrender the same to the Trustee in exchange for a new Trust Certificate or Certificates for the unpaid portion of the principal amount represented thereby, the Trustee will (subject to timely receipt of the necessary funds from the Company), on the date each such payment is due, mail its check, or (upon request of the holder) the Trustee will wire by 11:00 a.m., Washington, D. (B) *Right of Redemption and Redemption Price of Sinking Fund Trust Certificates.* The Sinking Fund Trust Certificates are subject to partial redemption through the application of the sinking fund rental payable to the Trustee pursuant to Section 5.04(B)(4), on December 15, 1976, and on each December 15 thereafter to and including December 15, 1984, at their principal amount together with accrued and unpaid dividends to the date fixed for redemption.

(C) *Selection of Sinking Fund Trust Certificates for Redemption; Notice of Redemption.* Prior to November 15, 1976, and prior to November 15 in each year thereafter to and including November 15, 1984, the Trustee shall designate for redemption a principal amount of Sinking Fund Trust Certificates so as to exhaust the amount of rental to be paid by the Company to the Trustee in cash pursuant to

Section 5.04(B)(4) on the next succeeding December 15, as follows:

(a) The Sinking Fund Trust Certificates (or portions thereof) to be redeemed shall be designated by the Trustee by allocating, as nearly as may be, the principal amount of Sinking Fund Trust Certificates to be redeemed among the various holders (if more than one) of Sinking Fund Trust Certificates in proportion to the outstanding aggregate principal amount of Sinking Fund Trust Certificates registered in their respective names.

(b) In any prorating pursuant to this subsection (C), the Trustee shall, according to such method as it may deem to be proper, make such adjustments, by increasing or decreasing by not more than \$1,000 the amount which would be allocable on the basis of exact proportion to any one or more holders of Sinking Fund Trust Certificates, as may be necessary to the end that the principal amount so prorated with respect to any one Trust Certificate shall be \$1,000 or a multiple thereof. The Trustee shall have uncontrolled discretion to determine, in the case of a holder of more than one Trust Certificate, the particular Trust Certificate or Trust Certificates to be redeemed, in whole or in part, in accordance with the foregoing provisions of this subsection (C).

The Trustee shall promptly notify the Company in writing of the numbers of the Trust Certificates selected for redemption in whole or in part.

The Trustee shall send a notice of redemption of the Trust Certificates by first-class mail, postage prepaid, at least 30 days prior to each sinking fund redemption date to the holders of Sinking Fund Trust Certificates, at their

last addresses as they shall appear upon the registry book, but failure to receive such notice by mail, or any defect therein, shall not affect the validity of any provisions for the redemption of Sinking Fund Trust Certificates.

Each notice of redemption (a) shall specify (i) the date fixed for redemption and (ii) the distinctive numbers of Sinking Fund Trust Certificates to be redeemed as a whole, and the distinctive numbers of such Trust Certificates to be redeemed in part (indicating the extent of partial redemption thereof) and (b) shall state that (i) from and after said date dividends thereon or on the portion thereof to be redeemed will cease to accrue and (ii) payment of the redemption price shall be made by the Trustee only from and out of rentals or other moneys paid to the Trustee by the Company and applicable thereto at the Corporate Trust Office, upon surrender of the Sinking Fund Trust Certificates so to be redeemed in full, or upon presentation of the Sinking Fund Trust Certificates to be redeemed in part for notation thereon of such payment, except as otherwise provided in the second paragraph of subsection (A) of this Section. The holders of Sinking Fund Trust Certificates redeemed in part may, at their option and upon surrender thereof, receive a new Sinking Fund Trust Certificate for the principal amount remaining unredeemed without charge to such holder.

The numbers of any Sinking Fund Trust Certificates to be redeemed, required to be included in any such notice, may be stated in either of the following ways: individually, or in groups from one number to another number, both inclusive.

(D) *Payment of Sinking Fund Trust Certificates Called for Redemption.* Notice of redemption having been given as above provided, and the Company on or before the redemption date specified in the notice of redemption

having deposited with the Trustee an amount in cash sufficient to redeem all the Sinking Fund Trust Certificates or portions thereof called for redemption, including accrued dividends, the Sinking Fund Trust Certificates or portions thereof called for redemption shall become due and payable on such redemption date, and from and after such redemption date dividends on such Sinking Fund Trust Certificates or portions thereof shall cease to accrue and such Sinking Fund Trust Certificates or portions thereof shall no longer be deemed to be outstanding hereunder and shall cease to be entitled to the benefit of this Agreement except to receive payment from the moneys reserved therefor in the hands of the Trustee. Subject to the provisions of Section 9.09, the Trustee shall hold the redemption moneys for the holders of the Trust Certificates or portions thereof called for redemption and shall pay the same to such holders respectively upon presentation and surrender of such Trust Certificates.

Except as provided in the third paragraph of subsection (C) of this Section, all Trust Certificates redeemed and paid under this Article Three shall be canceled by the Trustee and no Trust Certificates shall be issued hereunder in place thereof.

SECTION 3.03. *Form, Execution and Characteristics of Trust Certificates.* Section 3.03 of the Model Provisions is hereby amended by adding the words "of the same series and maturity" after the words "Trust Certificates" in the sixteenth line of subparagraph (c) of said Section and by amending subparagraph (h) of said Section to read as follows:

"(h) The Trustee shall not be required (i) to issue, register the transfer of or exchange Trust Certificates for a period of ten days next preceding

any dividend payment date or any selection of Trust Certificates to be redeemed or (ii) except as specifically provided in Section 3.02(C), to register the transfer of or exchange any Trust Certificates called or being called for redemption.”

Section 3.03, as so amended, is herein incorporated as Section 3.03 hereof.

The intention of this Section is that the Company shall ultimately pay not less than 20% of the Cost of all the Equipment accepted by the Trustee as Trust Equipment pursuant to this Article Four, and the Trustee and the Company shall at any time, if occasion arises, adjust their accounts and payments to the end that the Trustee shall pay with Deposited Cash not more than 80% of the lesser of the Cost or fair value thereof and the Company shall pay the remainder, to be not less than 20% of such Cost.

(3) (a) the amounts of the dividends payable on the Trust Certificates, when and as the same shall become payable, and (b) interest at the Penalty Rate from the due date upon the amount of any instalments of rental payable under this subparagraph and subparagraphs (4) and (5) of this paragraph which shall not be paid when due, to the extent legally enforceable;

(4) as a sinking fund for the Sinking Fund Trust Certificates, on or before December 15 in each year, commencing December 15, 1976, and continuing to and including December 15, 1984, an amount in cash sufficient to redeem \$600,000 aggregate principal amount of the Trust Certificates; and

(5) the principal of the Trust Certificates (other than those called for redemption pursuant

to Section 3.02(C)), when and as the same shall become payable, whether upon the date of maturity thereof or by declaration or otherwise.

If the Company is granted a quantity discount or other allowance based on the Company's purchases of railroad equipment over a year or other time period and such discount or any portion thereof is applicable to the Trust Equipment or any Components (as defined in Section 5.07) thereof (other than special devices, racks or assemblies, the cost or purchase price of which is not included in the Cost of the Trust Equipment or any unit thereof) and is not reflected in the invoices therefor delivered to the Trustee pursuant to Section 4.04(b), the Company will, upon receipt of any such discount or allowance, promptly allocate to the Trust Equipment the portion of such discount or allowance applicable to the Trust Equipment, promptly deposit with the Trustee an amount in cash equal to such portion, and deliver to the Trustee an Officers' Certificate setting forth the basis for the determination of such deposit. Cash deposited with the Trustee pursuant to this paragraph shall be held and applied as provided in the fourth paragraph of Section 5.07.

Nothing contained herein or in the Trust Certificates shall be deemed to impose on the Trustee or on the Company (except as provided in Section 5.04(B)(2)) any obligation to pay to the registered holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America or of any state, county, municipality or other taxing authority thereof to be paid on behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

SECTION 5.05. *Termination of Lease.* Section 5.05 of the Model Provisions is herein incorporated as Section 5.05 hereof.

SECTION 5.06. *Indemnity.* Section 5.06 of the Model Provisions is herein incorporated as Section 5.06 hereof.

SECTION 5.07. *Substitution and Replacement of Trust Equipment.* Upon Request, the Trustee shall, at any time and from time to time, execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to any of the units of Trust Equipment or Components (as defined in this paragraph) as provided herein; *provided, however,* that (a) there shall be paid to the Trustee cash in an amount not less than the value, as of the date of such Request, of the units of Trust Equipment or Components to be assigned or transferred by the Trustee or (b) there shall be conveyed to the Trustee, at the time of assignment or transfer of any units of Trust Equipment, other units of Equipment of a value not less than the value, as of the date of such Request, of the units of Trust Equipment to be assigned or transferred or (c) there shall be conveyed to the Trustee at the time of assignment or transfer of any Components either other Components (which shall be affixed by the Company to units of Trust Equipment) or units of Equipment, or both, of a value of not less than the value, as of the date of such Request, of the Components to be assigned or transferred; *provided, further, however,* that no Components shall be removed from a unit of Trust Equipment, or a substitution of Components made, if such removal, or removal and substitution, will impair the use in the business of the Company of the unit of Trust Equipment; and *provided, further, however,* that no substitution contemplated under this Section shall be made if the value of Equipment and Components to be transferred by the Trustee, together with the value of Equipment and Components theretofore transferred by the

Trustee pursuant to this Section, shall exceed \$1,500,000, unless written consent to make such substitution is obtained from the holders of not less than two-thirds of the aggregate unpaid principal amount of Trust Certificates then outstanding. For the purposes of this Section the terms "Trust Equipment" and "Equipment" refer to complete units of standard-gauge railroad equipment (other than passenger or work equipment) or any trailer hitches, bridge plates, safety chains, riser planks, couplers, draft gears, tie downs, bulkheads, winches, channels, collapsible pedestals or other components (herein called "Components") if the Cost thereof is separately stated in the invoice delivered to the Trustee when such Components are first subjected to the trust created hereby. The term "unit", when used with reference to Trust Equipment or Equipment, means, however, a complete unit of railroad rolling stock.

At the time of delivery of any Request pursuant to the first paragraph of this Section, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers:

- (1) an Officers' Certificate stating (i) the value, as of the date of said Request, of the Trust Equipment so to be assigned or transferred by the Trustee and the date such Trust Equipment was first put into use (or that such Trust Equipment was first put into use not later than a specified date), (ii) that the requested assignment or transfer by the Trustee will not impair (a) the security under this Agreement in contravention of the provisions hereof and (b) in the case of a Component, the use of the unit of Trust Equipment on which such substitution is to be made in the business of the

Company, (iii) the value of such substituted Equipment as of such date and the date such substituted Equipment was first put into use (or that such substituted Equipment was first put into use not earlier than a specified date) such statement to be supported by copies of an invoice or invoices from the manufacturers of such substituted Equipment, (iv) if such substitution consists of one or more Components, that each such Component is to be substituted on a specified unit of the Trust Equipment for another Component used for the same purpose concurrently being removed from such unit and assigned or transferred by the Trustee hereunder, (v) that each unit of Equipment so to be substituted has been marked as provided in Section 5.09, (vi) that each such unit so to be substituted is Equipment as herein defined and (vii) that no Default hereunder has occurred and is continuing;

(2) a certificate and a bill or bills of sale in respect of such substituted Equipment as provided for in subparagraphs (a) and (c) of the first paragraph of Section 4.04; and

(3) an Opinion of Counsel to the effect that (i) such bill or bills of sale are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee title to such substituted Equipment free from all claims, liens, security interests and other encumbrances and (ii) that a proper supplement hereto in respect of each substituted unit of Equipment has been duly executed by the Trustee and the Company and has been recorded and filed as provided in Section 7.05.

At the time of delivery of any Request pursuant to the first paragraph of this Section, the Company shall, if cash

is to be paid to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in the second paragraph of this Section.

Cash deposited with the Trustee pursuant to the second paragraph of Section 5.04, this Section or Section 5.09 shall, from time to time, be paid over by the Trustee to the Company upon Request, against conveyance to the Trustee of units of Equipment having a value, as of the date of said Request, not less than the amount of cash so paid and upon delivery to the Trustee of papers corresponding to those set forth in the second paragraph of this Section, with such appropriate modifications as may be approved by the Trustee.

For all purposes of this Section, where value is required to be determined in an Officers' Certificate, value shall be determined as follows (and the manner of such determination set forth in each Officers' Certificate furnished in respect thereof):

(1) the value of any Trust Equipment assigned or transferred by the Trustee as provided in this Section shall be deemed to be the greater of (a) the fair value thereof and (b) the Cost thereof as theretofore certified to the Trustee less depreciation at a rate not in excess of $1/180$ th of such Cost for each period of one month elapsed between (i) the later of December 15, 1970, or the date such unit was first put into use, as certified to the Trustee, and (ii) the date of the Request furnished pursuant to this Section; and

(2) the value of any Equipment conveyed to the Trustee as provided in this Section shall be deemed to be the lesser of (a) the fair value thereof and (b) the

Cost of such unit less depreciation at a rate not less than 1/180th of such Cost for each period of one month elapsed between (i) the date such unit was first put into use, as certified to the Trustee, and (ii) the date of the Request furnished pursuant to this Section.

SECTION 5.08. *Insurance; Maintenance of Trust Equipment; Casualty Occurrences.* The Company agrees that it will (a) maintain insurance in the name of the Company and the Trustee, as their respective interests may appear, in the fair value of the Trust Equipment, against all loss or damage to the Trust Equipment in any location, except to the extent, if any, that the risk of loss or the responsibility for damage may not, as between the Company and a user of the Trust Equipment in interchange, be upon the Company and shall be upon such user pursuant to the Code of Rules for the Interchange of Traffic, adopted by the Association of American Railroads, from time to time in effect, and (b) maintain and keep all the Trust Equipment in good order and proper repair at its own cost and expense, unless and until it becomes worn out, unsuitable for use, lost or destroyed (hereinafter called a Casualty Occurrence). Whenever any unit of the Trust Equipment shall suffer a Casualty Occurrence the Company shall, within 30 days after it shall have been informed of such Casualty Occurrence or as soon thereafter as practicable (but in no event later than 90 days thereafter), deliver to the Trustee an Officers' Certificate describing such Trust Equipment and stating the value to the Company thereof as of the date such Trust Equipment suffered such Casualty Occurrence. When the total value of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant

to this Section) shall exceed \$100,000 (or such lesser amount as the Company may elect), the Company, within 30 days of such event, shall deposit or cause to be deposited with the Trustee an amount in cash equal to the value of such units as of the date of the Casualty Occurrence in respect of each thereof. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. Cash deposited with the Trustee pursuant to this Section shall be held and applied as provided in the fourth paragraph of Section 5.07. For all purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 5.07.

The Company agrees to furnish to the Trustee prior to April 30 of each year from 1972 through 1985, inclusive, an Officers' Certificate dated as of the preceding December 31, stating (1) the amount, description and numbers of all units of the Trust Equipment that have suffered a Casualty Occurrence since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), (2) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), the marks required by Section 5.09 have been preserved or that such Trust Equipment when repainted or repaired has been again marked as required thereby and (3) that insurance has been maintained in compliance with this Section. The Trustee, by its agents, shall have the right, but shall be under no duty, to inspect the Trust Equipment at any reasonable time and frequency at the then existing locations thereof; *provided, however*, that the Company shall not be liable for any injury to, or the death of, any agent or employee of the Trustee incurred while exercising any such right to inspect the Trust Equipment under the

preceding provision of this sentence, unless the Company's own negligence is the direct cause of such injury or death.

SECTION 5.09: *Marking of Trust Equipment.* The Company agrees that, at the time of delivery to the Trustee pursuant to this Agreement of each unit of Equipment, there shall be plainly, distinctly, permanently and conspicuously marked on each side of such unit, in letters not less than one inch in height:

"THE RIGGS NATIONAL BANK OF WASHINGTON, D. C.,
TRUSTEE, OWNER, LESSOR,
Fruit Growers Express Company
Equipment Trust of 1970,
Series SS".

Such marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the Trust Equipment.

In case, prior to the termination of the lease provided for in this Article Five, any of such marks shall at any time be removed, defaced or destroyed, the Company shall cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee and which shall be filed and recorded by the Company in like manner as this Agreement.

The Trust Equipment may be lettered Fruit Growers Express or "FGE" or "FGCX" or "RBNX" or in some other appropriate manner for convenience of identification of the leasehold interest of the Company therein and may also be lettered, in case of a sublease of any Trust Equipment made pursuant to Section 5.10, in such manner as

may be appropriate for convenience of identification of the subleasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 5.10. *Possession of Trust Equipment.* Except as provided in this Section, the Company will not assign or transfer its rights hereunder, or transfer or sublet the Trust Equipment or any part thereof, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a solvent corporation which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant, but no such transfer or assumption shall have the effect of releasing the Company from its obligations hereunder or from its obligations as guarantor of the Trust Certificates. The appointment of a receiver or receivers in equity or reorganization or a trustee or trustees in bankruptcy or reorganization for the Company or for its property shall not be deemed an unauthorized assignment unless the same shall constitute an Event of Default.

Subject to the provisions of Article Six, the Company shall be entitled to the possession of the Trust Equipment

and also to sublease the Trust Equipment to a sublessee or user incorporated in the United States of America (or any state thereof or the District of Columbia), upon lines of railroad owned or operated by such sublessee or user or over which such sublessee or user has trackage right or rights for operation of its trains, and upon connecting and other carriers in the usual interchange or traffic, but only upon and subject to all the terms and conditions of this Agreement; *provided, however*, the Company will not use or permit the use of the Trust Equipment outside the United States of America except in Canada or Mexico in the usual interchange of traffic.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled (subject to the rights of the Trustee upon the happening of an Event of Default) to the possession of the Trust Equipment included in such sublease and the use thereof and, subject to the provisions of Section 5.09, may provide for lettering or marking upon such Trust Equipment for convenience of identification of the leasehold interest of such sublessee therein. Every such sublease shall subject the rights of the sublessee under such sublease to the rights of the Trustee in respect of the Trust Equipment covered by such sublease in the event of the happening of an Event of Default. A copy or the form of each such sublease (and of each amendment thereto, if any) shall promptly be filed with the Trustee.

Affiliate of any corporation shall mean any corporation which, directly or indirectly, controls or is controlled by, or is under common control with, such corporation. For the purposes of this definition, *control* (including *controlled by* and *under common control with*), as used with respect to any corporation, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such corporation, whether through the ownership of voting securities or by contract or otherwise.

Default shall mean

- (1) any Event of Default; and
- (2) the occurrence and continuance of an event which, with the giving of notice or the passage of time or both, would constitute an Event of Default.

The Company shall "be in Default" if a Default shall have occurred and be continuing.

Deposited Cash shall mean the aggregate of (a) the proceeds from the sale of the Trust Certificates deposited

with the Trustee pursuant to Section 3.01 and, when required or indicated by the context, any Investments purchased by the use of such proceeds pursuant to the provisions of Section 9.04, and (b) any sums restored to Deposited Cash from rentals pursuant to Section 5.04(B) (1)(b) and on deposit with the Trustee.

Event of Default shall mean any event specified in Section 6.01 to be an Event of Default.

The word *holder*, when used with respect to Trust Certificates, shall include the plural as well as the singular number.

Investments shall mean (i) bonds, notes or other direct obligations of the United States of America or obligations for which the full faith and credit of the United States are pledged to provide for the payment of the interest and principal, in each case maturing within one year after the date of investment therein, (ii) commercial paper given a rating of at least "prime" or its equivalent by the National Credit Office or a successor thereto or a similar rating service substituted therefor and (iii) certificates of deposit of or time deposits in banks or trust companies incorporated and doing business under the laws of the United States of America or one of the States thereof having a capital and surplus aggregating at least \$50,000,000.

Request shall mean a written request for the action therein specified, delivered to the Trustee, dated not more than ten days prior to the date of delivery to the Trustee and signed on behalf of the Company by the Chairman of the Board, the President, a Vice President, the Treasurer, any Assistant Treasurer or the General Manager of the Company.

Trust Equipment shall mean all Equipment at the time subject to the terms of this Agreement.

The words *herein, hereof, hereby, hereto, hereunder* and words of similar import refer to this Agreement as a whole and not to any particular Article, Section, paragraph or subdivision hereof.

ARTICLE THREE

TRUST CERTIFICATES AND ISSUANCE THEREOF

SECTION 3.01. *Issuance of Trust Certificates.* Upon the sale of any of the Trust Certificates, an amount equal to the principal amount of the Trust Certificates so sold shall, forthwith upon the issuance thereof, be deposited in cash with the Trustee.

Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall issue and deliver, as the Company shall direct by Request, Trust Certificates in the aggregate principal amount so sold.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee under this Section shall not exceed the Total Authorized Issue

in the form of Trust Certificate, and the aggregate principal amount represented by all the Trust Certificates shall be payable as hereinafter set forth.

SECTION 3.03. *Form, Execution and Characteristics of Trust Certificates.*

(a) The Trust Certificates and the guaranty to be endorsed on the Trust Certificates by the Company as provided in Section 7.01 shall be in substantially the forms hereinbefore set forth.

(b) The Trust Certificates shall be signed in the name and on behalf of the Trustee by the manual or facsimile signature of its President, one of its Vice Presidents or one of its Assistant Vice Presidents and its corporate seal or a facsimile thereof shall be affixed or imprinted thereon and attested by the manual signature of its Secretary or one of its Assistant Secretaries or one of its Assistant Trust Officers. In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates shall cease to be such officer of the Trustee before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person had not ceased to be or had then been such officer of the Trustee.

(c) The Trust Certificates (i) shall be issuable in denominations of \$1,000 or any multiple thereof; (ii) shall be registered, as to both principal and dividends, in the name of the holders; (iii) shall be transferable in whole or in part upon presentation and surrender thereof for transfer at the Corporate Trust Office, accompanied by appropriate instruments of assignment and transfer, duly executed by the reg-

istered holder of the surrendered Trust Certificate or Certificates or by duly authorized attorney, in form satisfactory to the Trustee; (iv) shall be dated as of the date of issue unless issued in exchange for another Trust Certificate or Certificates bearing unpaid dividends from an earlier date, in which case they shall be dated as of such earlier date; (v) shall entitle the registered holder to dividends from the date thereof; and (vi) shall be exchangeable for an equal aggregate principal amount of Trust Certificates of authorized denominations.

(d) Anything contained herein to the contrary notwithstanding, the parties hereto may deem and treat the registered holder of any Trust Certificates as the absolute owner of such Trust Certificates for all purposes and shall not be affected by any notice to the contrary.

(e) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration and transfer of the Trust Certificates and, upon presentation of the Trust Certificates for such purpose, the Trustee shall register any transfer as hereinabove provided, and under such reasonable regulations as it may prescribe.

(f) For any registration, transfer or exchange, the Trustee shall require the payment of a sum sufficient to reimburse it for any governmental charge connected therewith.

(g) Each Trust Certificate delivered pursuant to any provision of this Agreement in exchange or substitution for, or upon the transfer of the whole or any part, as the case may be, of one or more other Trust Certificates shall carry all the rights to principal and to dividends accrued and unpaid and to accrue, which were carried by the whole or such part, as the case may be, of such one or more other Trust Certificates, and, notwithstanding anything contained in this Agreement, such Trust Certificate shall be so dated

that neither gain nor loss in dividends or principal shall result from such exchange, substitution or transfer.

(h) The Trustee shall not be required to issue, transfer or exchange Trust Certificates for a period of ten days next preceding any dividend payment date.

SECTION 3.04. *Replacement of Lost Trust Certificates.* In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor, date and maturity, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. The Company shall execute its guaranty on any Trust Certificates to be so delivered. The applicant for a new Trust Certificate pursuant to this Section shall furnish to the Trustee and to the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be required by the Trustee and by the Company in their discretion, and shall pay all expenses and charges of such substitution or exchange. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

ARTICLE FOUR

ACQUISITION OF TRUST EQUIPMENT BY TRUSTEE;
DEPOSITED CASH

SECTION 4.01. *Acquisition of Equipment by Trustee.* The Company, as speedily as may be, shall cause to be sold to the Trustee, as trustee for the holders of the Trust Certificates, all of the Equipment described in Schedule I hereto. Such Equipment shall be delivered to the person or persons designated by the Trustee as its agent or agents to accept such delivery (who may be one or more of the officers or agents of the Company) and the certificate of any such agent or agents as to such delivery and acceptance shall be conclusive evidence of such delivery.

In the event that the Company shall deem it necessary or desirable to procure for the use of the Company, and to include in the trust hereby created, other new Equipment in lieu of any units of the Equipment specifically described in Schedule I hereto prior to the acceptance of such Equipment by the Trustee or its agent or agents, or in the event that any unit of the Equipment described in Schedule I hereto shall suffer a Casualty Occurrence as defined in Section 5.08, prior to such acceptance, the Company may cause to be sold to the Trustee such other Equipment, to be substituted under the trust.

LEASE OF TRUST EQUIPMENT TO THE COMPANY

SECTION 5.02. *Equipment Automatically Subjected.* As and when any Equipment shall from time to time be settled for hereunder by the Trustee or its agent or agents, the same shall, *ipso facto* and without further instrument

of lease or transfer, become subject to all the terms and provisions hereof.

SECTION 5.03. *Additional and Substituted Equipment Subject Hereto.* In the event that the Company shall, as provided in Sections 4.01, 4.04 or 5.07, cause to be transferred to the Trust other Equipment in addition to or in substitution for any of the Equipment herein specifically described or subjected hereto, such other Equipment shall be included as part of the Trust Equipment by supplement hereto to be executed by the Trustee and the Company and shall be subject to all the terms and conditions hereof in all respects as though it had been part of the Equipment herein specifically described.

SECTION 5.05. *Termination of Lease.* After all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee (1) such payments shall be deemed to represent payment of the full purchase price for the Company's purchase at such time of the Trust Equipment from the Trustee, (2) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (3) title to all the Trust Equipment shall vest in the Company and (4) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; *provided, however,* that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery

thereof to and the possession and use thereof by the Company pursuant to this Agreement.

SECTION 5.06. *Indemnity.* The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states and other jurisdictions in which the Trust Equipment, or any unit thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; *provided, however,* that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

ARTICLE SIX

EVENTS OF DEFAULT AND REMEDIES

SECTION 6.01. *Events of Default.* The Company covenants and agrees that in case:

(a) the Company shall default in the payment of any part of the rental payable hereunder needed to pay the principal of any Trust Certificate as and when such principal may become due, or if the Company shall default in the payment of any other part of the rental payable hereunder (including advance rental) for more than ten days after the same shall have become due and payable, or

(b) the Company shall make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or sublease (including, for the purpose of this clause, contracts for the use thereof) of any of the Trust Equipment, or, except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or sublease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancelation and recovery of possession, or within said 30 days to deposit with the Trustee a sum in cash equal to the value, as of the date of such unauthorized action (determined in the manner provided in subparagraph (1) of the last paragraph of Section 5.07), of such Trust Equipment (any sum so deposited to be returned to the Company upon the cancelation of such assignment, transfer or sublease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than 60 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(d) the lease provided for herein shall be terminated by operation of law, or

(e) any proceedings shall be commenced by or against the Company for any relief which includes, or might result in, any modification of the obligations of the Company hereunder, under the guaranty endorsed on the Trust Certificates and under any instrument made in connection with the purchase of the Trust Certificates by the initial holders thereof, or under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions, and, unless such proceeding shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Company under this Agreement, under the guaranty endorsed on the Trust Certificates and under any instrument made in connection with the purchase of the Trust Certificates by the initial holders thereof, shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or for its property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier,

then, in any such case (herein sometimes called an Event of Default), the Trustee in its discretion may, and upon the written request of the holders of a majority in principal amount of the then outstanding Trust Certificates shall, by

notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration) payable by the Company as set forth in Section 5.04 and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the Penalty Rate, to the extent legally enforceable, on any portion thereof overdue.

In case one or more Events of Default shall happen, the Trustee in its discretion also may, and upon the written request of the holders of a majority in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Section 5.04 in respect of the principal of, or dividends or interest on, the Trust Certificates when and as the same shall have become due and payable hereunder, and such Default shall have continued for a period of ten days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under the Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal amount of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making

of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct.

All rights of action and to assert claims under this Agreement, or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 6.02. *Remedies.* In case of the happening of any Event of Default, the Trustee may by its agents enter upon the premises of the Company and of any Affiliate or of any sublessee (or other person having acquired the use of the Trust Equipment) where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid *per diem*, mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease or otherwise contract for the use of the Trust Equip-

ment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company and the principal of all the then outstanding Trust Certificates, as provided in Section 6.01) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of then outstanding Trust Certificates, all subject to any mandatory requirements of law applicable thereto. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, or of principal and dividends in

respect of the Trust Certificates, and the Company shall be and remain liable for the same until such sums have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the obligations of the Company under this Agreement.

SECTION 6.03. *Application of Proceeds.* If the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee, and the proceeds of any judgment collected from the Company by the Trustee, and the proceeds of every sale or lease by the Trustee of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates or a part thereof, or dividends thereon), shall be applied by the Trustee to the payment, in the following order of priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (b) of the dividends then due, with interest on overdue dividends at the Penalty Rate, to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the Penalty Rate, to the extent legally enforceable, from the last preceeding dividend payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal and dividends.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the

Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 6.04. *Waivers of Default.* Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of a majority in aggregate unpaid principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past Default and its consequences, except a Default in the payment of any instalment of rental payable pursuant to Section 5.04 in respect of the principal of, or dividends or interest on, the Trust Certificates, but no such waiver shall extend to or affect any subsequent Default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as provided in Section 6.01, all arrears of rent (with interest at the Penalty Rate upon any overdue instalments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's Default, and all other sums which shall have become due and payable by the Company hereunder shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other Default shall be made good or secured to the satisfaction of the Trustee and the holders of the Trust Certificates, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such

case, the Trustee, if so requested by the holders of a majority in aggregate unpaid principal amount of the Trust Certificates then outstanding according to their terms, shall by written notice to the Company waive the Default by reason of which there shall have been such declaration or declarations and the consequences of such Default, but no such waiver shall extend to or affect any subsequent Default or impair any right consequent thereon.

SECTION 6.05. *Obligations of Company Not Affected by Remedies.* No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company under the guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any Default in the payment of the principal of and dividends on the Trust Certificates.

SECTION 6.06. *Company to Deliver Trust Equipment to Trustee.* In case the Trustee shall rightfully demand possession of any of the Trust Equipment in pursuance of this Agreement, the Company will, at its own expense, forthwith and in the usual manner and at usual speed, cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Com-

pany, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. The performance of the foregoing covenant is of the essence of this Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

SECTION 6.07. *Trustee to Give Notice of Default.* The Trustee shall give to the holders of the Trust Certificates notice of each Default hereunder known to the Trustee within 30 days after the occurrence thereof, unless remedied or cured before the giving of such notice.

SECTION 6.08. *Control by Holders of Trust Certificates.* The holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates, by an instrument or instruments in writing executed and delivered to the Trustee, shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however,* that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action so directed may not lawfully be taken.

SECTION 6.09. *Limitations on Suits by Holders of Trust Certificates.* No holder of any Trust Certificate shall have any right by virtue or by availing of any provision of this Agreement to institute any action or proceedings at law or in equity or in bankruptcy or otherwise, upon or under or with respect to this Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder previously shall have given to the Trustee written notice of a Default and of the continuance thereof, as herein provided, and unless also the holders

of a majority in aggregate principal amount of the Trust Certificates then outstanding shall have made written request to the Trustee to institute such action or proceeding in its own name as trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.08; and no one or more holders of Trust Certificates shall have any right in any manner whatever to affect or prejudice the rights of any other holder of Trust Certificates, or to obtain or seek to obtain priority over any other such holder or to enforce any right under this Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Trust Certificates. For the protection and enforcement of the provisions of this Section, each and every holder of a Trust Certificate and the Trustee shall be entitled to such relief as can be given either at law or in equity.

SECTION 6.10. *Unconditional Right of Holders of Trust Certificates to Sue for Principal and Dividends.* Notwithstanding any other provision in this Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of and dividends on such Trust Certificate, on or after the respective due dates expressed in such Trust Certificate, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, except no such suit shall be instituted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law,

result in the surrender, impairment, waiver or loss of the title reserved under this Agreement upon any property subject hereto.

SECTION 6.11. *Remedies Cumulative; Subject to Mandatory Requirements of Law.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity; and such remedies shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent such requirements may not be waived on the part of the Company.

ARTICLE SEVEN

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY

SECTION 7.01. *Guaranty of Company.* The Company guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon until paid at the Penalty Rate, to the extent legally enforceable), and shall receive dividends thereon in like money at the rate specified therein, at the times and place and otherwise as expressed in the Trust Certificates and this Agreement (and, if not so paid, with interest thereon until paid at the Penalty Rate, to the extent legally enforceable); and the Company agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substan-

tially the form herein set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual or facsimile signature of its President, a Vice President or the Treasurer. In case any officer of the Company whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty had not ceased to be or had then been such officer.

SECTION 7.02. *Discharge of Liens.* The Company agrees that it will pay and discharge, or make adequate provision for the payment or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, *provided that* such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 7.03. *Further Assurances.* The Company agrees to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

SECTION 7.04. *Merger or Consolidation.* The Company agrees not to merge or consolidate with any other

corporation unless the survivor of such merger or consolidation shall be a solvent corporation organized under the laws of the United State of America or a State thereof or the District of Columbia and such survivor (if not the Company) shall assume all the obligations and liabilities of the Company hereunder and as guarantor of the Trust Certificates.

ARTICLE EIGHT

CONCERNING THE HOLDERS OF TRUST CERTIFICATES

SECTION 8.01. *Evidence of Action Taken by Holders of Trust Certificates.* Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate unpaid principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

SECTION 8.02. *Proof of Execution of Instruments and of Holding of Trust Certificates.* The execution of any instrument by a holder of Trust Certificates or his agent or proxy may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer.

The ownership of Trust Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

SECTION 8.03. *Trust Certificates Owned by Company.* In determining whether the holders of the requisite principal amount of the Trust Certificates have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by an Affiliate of the Company or any such other obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

SECTION 8.04. *Right of Revocation of Action Taken.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the required percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement, any holder of a Trust Certificate may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action in so far as concerns such Trust Certificate. Except as aforesaid, any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Trust Certificate. Any action taken by the holders of the required percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement shall be conclusive and binding upon the Company, the Trustee and the holders of all the Trust Certificates.

SECTION 8.05. *Amendment or Waiver.* Any provision of this Agreement may be amended or waived with the written consent of the holders of not less than $66\frac{2}{3}\%$ of the aggregate unpaid principal amount of the Trust Certificates then outstanding; *provided, however*, that no such amendment or waiver shall (1) reduce the amount of principal, change the amount or dates of payment of instalments of principal or reduce the rate or extend the time of payment of dividends with respect to the Trust Certificates without the consent of the holders of each Trust Certificate so affected, (2) reduce the amount of or extend the time of payment of any rentals payable under the Equipment Trust Agreement or release or provide for the release of any of the Trust Equipment or any other property or cash held by the Trustee in trust, otherwise than as expressly permitted by the present terms of this Agreement, without the consent of the holders of 100% of the aggregate unpaid principal amount of Trust Certificates then outstanding, or (3) reduce the percentage of the aggregate unpaid principal amount of Trust Certificates then outstanding, the holders of which are required to approve any amendment or to effect any waiver.

ARTICLE NINE

THE TRUSTEE

SECTION 9.01. *Acceptance of Trust.* The Trustee hereby accepts the trust imposed upon it by this Agreement and agrees to perform the same as herein expressed.

SECTION 9.02. *Duties and Responsibilities of the Trustee.* In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts or that its action or inaction was contrary to the express provisions of this Agreement;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good

faith in accordance with the direction of the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(d) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(e) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such Opinion of Counsel and not contrary to any express provisions of this Agreement;

(f) the Trustee shall be under no obligation to exercise any of its rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(g) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

SECTION 9.03. *Application of Rentals.* The Trustee agrees to apply the rentals received by it under Section

5.04(B) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 5.04(B).

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Agreement or of any supplement hereto or statement of new numbers.

SECTION 9.04. *Funds May be Held by Trustee; Investments.* Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, and the Trustee will allow interest upon any such moneys held by it in trust at the rate generally allowed by it upon deposits of a similar character.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 5.07 or Section 5.08 (hereinafter in this Section called Replacement Funds) in Investments, at such prices, not in excess of fair market value at the time of investment, including any premium and accrued interest, as are set forth in such Request, such Investments to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment or for payment of the principal of or dividends on any Trust Certificate, sell such Investments,

or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investments, including accrued interest, or apply such proceeds to the payment of said principal or dividends if and to the extent such proceeds are needed therefor.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 5.04(B) (1), an amount equal to any expenses incurred in connection with any purchase or sale of Investments and also an amount equal to any loss of principal incident to the sale or redemption of any Investments for a sum less than the amount paid therefor, including accrued interest.

The Company, if not to the knowledge of the Trustee in Default, shall be entitled to receive any interest allowed as provided in the first paragraph of this Section and any interest (in excess of accrued interest paid from Deposited Cash at the time of purchase) or other profit which may be realized from any sale or redemption of Investments.

SECTION 9.05. Trustee Not Liable for Delivery Delays or Defects in Equipment or Title. The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto or otherwise.

The Trustee may perform its powers and duties with respect to the delivery and acceptance of the Trust Equipment by or through such attorney, agents and servants as it shall appoint, and shall be answerable only for its own acts,

negligence and wilful defaults and not for the default or misconduct of any attorney, agent or servant appointed by it in respect thereof with reasonable care.
